C-Fine® Performance with an Earth-friendly Profile

FOR HOT & COLD MENU ITEMS

- Container stackability and rigidity help protect food in transit. Vented-lid option and raised bases enhance moisture control, a key to food integrity.
- D&W's compartmented-lid option for 9 x 9" C-Fine Hingeware features an innovative design that keeps contents well-separated during transport, so contents stay appetizing.
- Light weight for reduced carbon footprint yet offers great insulating properties for both hot and cold food. Black and white color options can add an upscale touch to every menu item.
- D&W's proprietary patented process enables the design and manufacture of products using 30% less oil-based polystyrene resin. Also incorporates 40% internally reprocessed material.
